

## INTRODUCTION

Loyola Ex-Students Association in collaboration with the Federation of Alumni/ae Associations of India (JAAI) which is the apex body of all Alumni/ae Associations of Jesuit Educational Institutions in India is organising the West Zone Congress 2016 in Goa as the Goa Province has been conferred the honour of organising the same on 21st and 22nd May 2016. The Congress will be attended by delegates who are the Alumni/ae of various Jesuit Institutions from Gujarat, Bombay, Pune and Goa.

## OBJECTIVE

Besides abiding by the Federation's Objective of fostering brotherhood amongst the Alumni/ae of all Jesuit Institutions in India. This Congress will aim to bring about unity in thought and deeds amongst the Alumni/ae in the West Zone. Various workshops planned around the theme of the Congress and the thoughts of various speakers especially selected to present their views will provide the delegates with insight that is bound to be result oriented. The West Zone Committee will also conduct a business session to elect delegates of the West Zone from the various participating provinces as representatives of the National Congress.

## THE THEME

India is faced with the problems of pollution like most of the countries of the world. You are aware that the introduction of contaminants and pollutants into our natural surroundings cause adverse effects on the environment. Sadly this situation is worsening with every passing year and causes grave and irreparable damage to us and the Earth. Keeping these thoughts in mind, the

Theme chosen for the Congress is "nurturing a healthy environment for the future." The speakers will make us aware, about the harm we are doing to the environment, and will help us deliberate on the subject and identify ways and means to ensure that the future generations will inherit a clean and healthy planet.
